

# Managing an angry person in your home and when to move them to residential care.

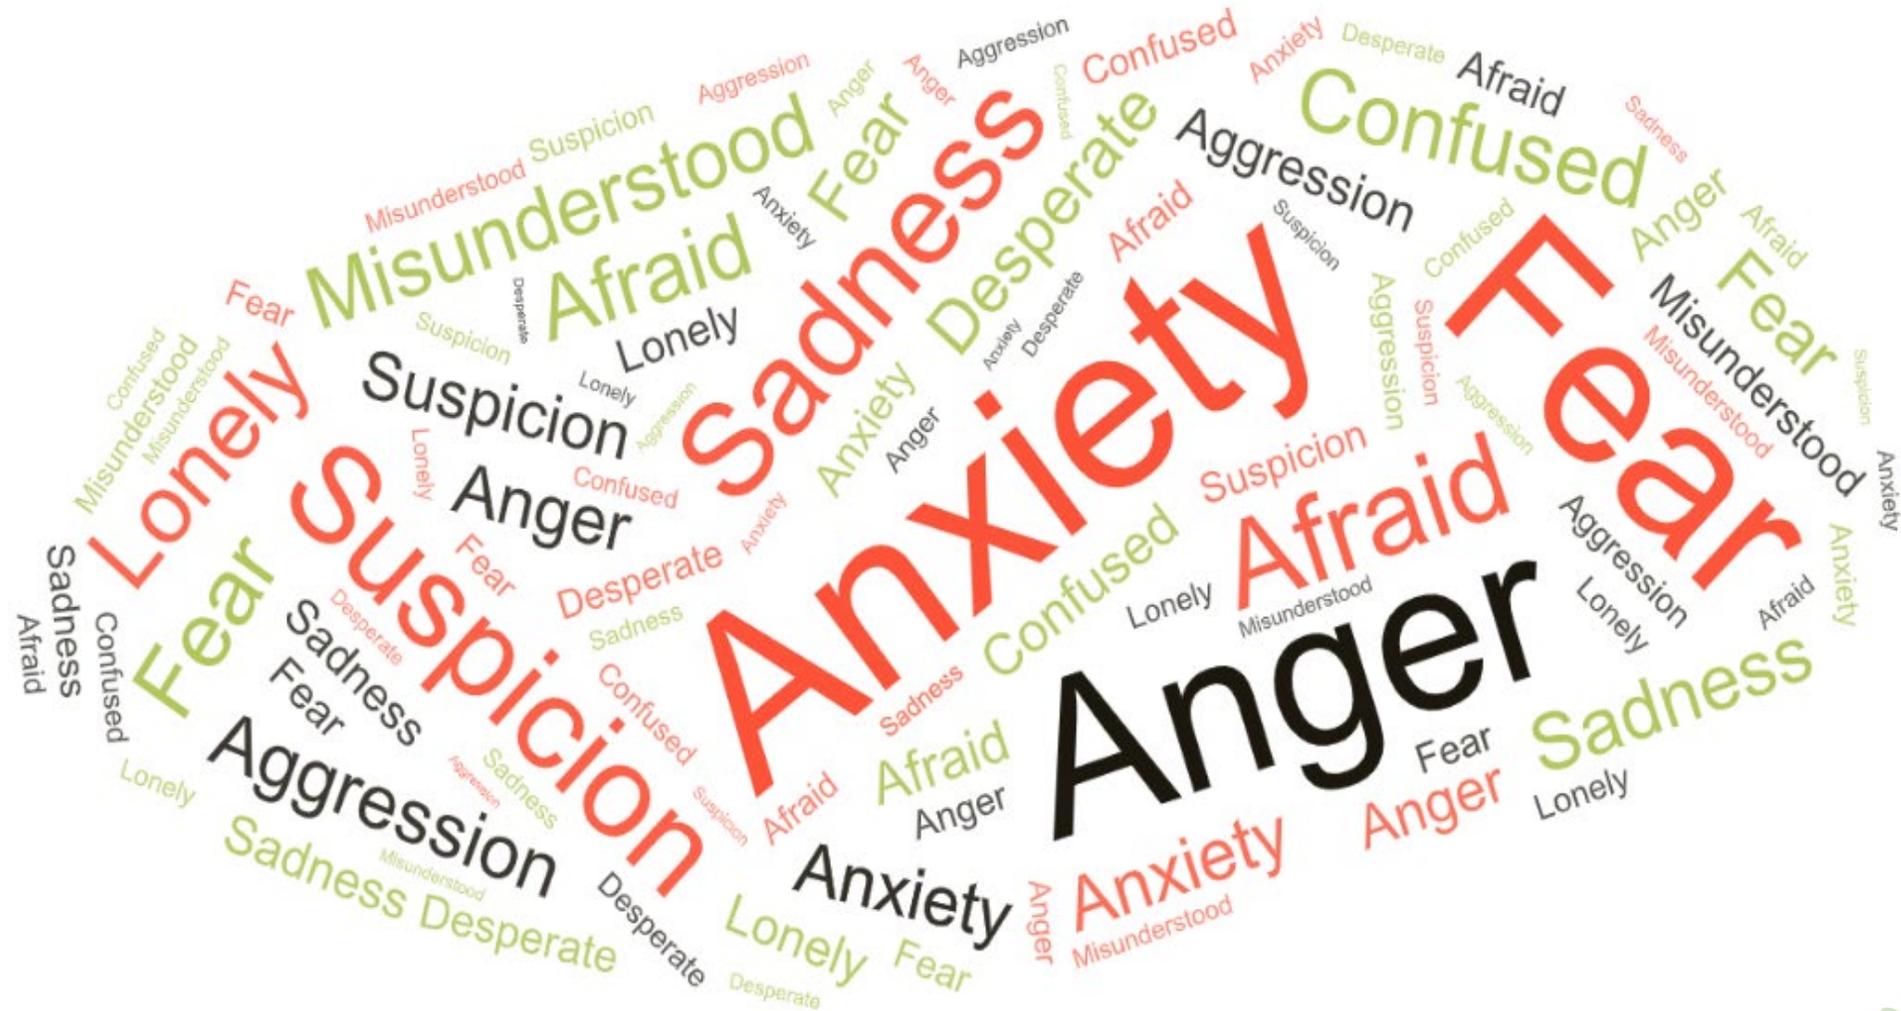

**Esmarie Venier**

[www.resthill.co.za](http://www.resthill.co.za)

# When is the right time to move my loved one?

- Why wait for an incident to happen
- Give yourself permission to make a decision
- STOP with the guilt
- Promises made in good times, never take into account the impossible times
- What would your loved one have said to you?

People do not suffer from dementia.  
They suffer from the way society treats them  
when they have dementia

Let's keep the discussion going
