

**“You have nothing to fear
from venomous animals
except for a world where they
do not exist!”**

Jonathan Leeming

Scorpions Of Southern Africa
by Jonathan Leeming

The 2003 edition of Scorpions of Southern Africa heralded a new era in scorpion conservation, understanding and appreciation. In 2019, I'm proud to announce my latest revision of Scorpions of Southern Africa which will continue to inspire and educate. Available at your local bookshop or online retailer.
